

A new and interactive website experience...

On March 21, starting at 4:00 p.m. Eastern, our pension web portal will be down for maintenance while we get a new look. Brethren Pension Plan participants should be able to access Empower's new website on Thursday, March 22. Members needing to access their account during this time may use our 24/7 automated phone service **(866) 723-0001**. Plan representatives are available between 8:00 AM and 10:00 PM Eastern time.

100%
upgraded website
